**Dealer Created
 Custom Assets Form**

Form to be used for:

Dealer created vehicle running footage - dealer produced footage of Subaru vehicle(s) in motion. Submission is always required for prior pre-approval.

Dealer created video footage - dealer produced footage of dealership inventory & facilities, stagnant Subaru vehicles, or Subaru vehicle walk arounds. Submission of dealer created video footage is not required for prior pre-approval but traditional pre-approval is required. If an offer appears, "Dealer Created Custom Assets Form" must accompany the pre-approval submission using dealer created video footage.

Dealer created vehicle photography - dealer produced photography of Subaru vehicles on dealership lots or in local scenic environments. Submission is always required for prior pre-approval.

Dealer Created Custom Assets Approval Process:

Step 1: Submit dealer created custom assets for prior pre-approval to SAF Support Center. Be sure to submit this completed "Dealer Created Custom Assets Form."

Step 2: After dealer created custom assets have been prior pre-approved, they must be submitted to and approved by the SAF Support Center for traditional pre-approval. Failure to receive pre-approval will result in denial of reimbursement.

Instructions:

- To submit dealer created vehicle photography and/or dealer created vehicle running footage for prior pre-approval:
 - Please complete ALL fields on this form for EACH vehicle present within your submission. Failure to complete this form will result in an automatic declination of your submission.
 - Attach dealer created vehicle photography and/or dealer created vehicle running footage seeking prior pre-approval
- Please note: dealer created custom artwork submission response time is 48 hours from receipt for each submission
